Elementary Education – Morris Brown College (1973)</p> <p>Argosy University</p> <p>E7034 – Contemporary Problems &amp; Issues in Education (3 credit hours) Course Description: Problems and issues that relate to the present and the future of and private education are the core of the course. They are identified in a forum that brings experience and current methodology together to address problems that relate to the specific roles of the course participants. Long-range and short-range problem-solving strategies, directed toward increasing the scope of curriculum options and expanding the broad applicability of instructional resources, are addressed in terms of current situational models.</p> <p>E7033 – Managing Change - (3 credit hours)</p>

	<p>Course Description: This course focuses on concepts and strategies for managing change in educational, human services, and business settings. Special consideration is given to the recognition of human diversity and strategies that empower both individuals and the organization. Processes, procedures, and skills for change are presented in terms of situational considerations and implications.</p> <p>E7233 – Organization Communication Systems - (3 credit hours) Course Description: This course focuses on effective communication in organizations. This course will include relevant theories, technologies, leadership, teamwork, diversity, global organizations, and ethics. In addition to learning about issues embedded in organizational communication systems, students will complete a 7-week internship.</p> <p>E7338 – Multicultural Education in the 21st Century - (3 credit hours) Course Description: This course provides an examination of educational issues pertinent to administration within the context of the current demographic realities found within the United States. Focus is on the dimensions of diversity, the development and importance of an equitable curriculum and its impact on students and adults.</p>
