Bachelor of Arts in Music

120 Hours Required

Program Description

The vision of the Department of Music is for our Department to produce graduates who are capable of positively transforming their environments both communally and nationally through entrepreneurial engagement, and social and civic initiatives across the global divide within the discipline of music. The Department of Music offers one-degree program with three concentrations: Vocal Performance, Music Production, and Church Music consisting of a curriculum of applied instruction, music technology courses, music theory and history course sequences, 18 music concentration hours, and a culminating capstone senior recital or senior project.
